Dear Customer,

Thank you for visiting our certifications page. Unfortunately, we do not have the current certificate available at this time. Once the certificate is received it will be promptly posted to this site.

This production site, Klingenberg [KYOCERA AVX Components (Dresden) GmbH] successfully completed their recertification audit on 15th March 2024 according to IATF 16949:2016 with TÜV Rheinland Cert GmbH. The certificate was expired, but we are glad to announce successful completion of the recertification audit. When the new certificate will be handed over by the TÜV Rheinland, we will announce the certificate number immediately.

If you have any questions, the quality manager for this site is Joachim Müller (joachim.mueller@kyocera-avx.com).

Regards,

KYOCERA AVX Quality
